Dear Supporter I'm writing on behalf
of your Sponsored Child Barekegn Lema.
He would like to say greeting to you and your
family. He and his family members are
doing well. He would like to tell you about
his friends, he has four friends namely
Brhiewot Lema, Asrat Bekele, Temesgen
Bantahun and Lukas Yohannis. But in this
message he will tell you about Temesgen Bantahun
whom he likes most. Of all his friends
he likes ^{temesgen} Bantahun because Temesgen Bantahun
play with Barekegn, when they are together
they play, they keep cattle and they
collect fire wood and learn. He loves
his friend so much that he wishes him to be
civil servant after the education completion.
Finally, he says good bye until next message.
